VESSEL SLIPPING INDEMNITY FORM

I (please print).....

Of the vessel: .....Reg No.....

Agree to release and indemnify the Small Boat Club of SA Inc, its Committee, Slipping Crew and assisting members from all claims and demands of every kind in respect of/or resulting from any accident, damage or loss occurring to my vessel or my property or any sort or any property of any other person located in or around my vessel which arises in connection with the slipping services received, to include retrieval, launching and any required movement of my vessel about the work area.

I understand it is my responsibility to prepare and move my vessel onto an appropriate cradle, set the arms and secure it. When the winch process begins the Slip Master/winch operator has control of the operation. This indemnity is subject to the slipping being conducted in a manner consistent with the Standard Operating Procedures and relevant club bylaws.

I accept the terms set out in this agreement. I confirm that it has been explained to me.
