

EVINRUDE 8HP 2-STROKE SHORT-SHAFT OUTBOARD

An Evinrude 8hp twin cylinder 2-stroke short shaft outboard with fins and a Yamaha fuel tank.

In great mechanical condition, less than 100 hours use, and all on the River Murray. Cowling scratched from being stored in the shed.

It starts and runs very sweetly on a 1:50 mix and there's about 1.5 litres in the tank.
